## **WELCOME TO THE PAVILION**

The Pavilion is open from 9am, seven days a week throughout the year and offers a wonderful range of cakes, homemade light lunches and afternoon cream teas. Our menu has been created with local suppliers in mind and changes with the seasons, more soup on cold days and more fresh crab on hot summer afternoons.

We are happy to cater for larger groups and if you prefer we are able to provide a full waitress service for an additional 10% charge.

Further information on group visits is available.

The Walled Gardens of Stansted Park first appeared on a map in 1823. The glasshouses were developed in Victorian times to grow grapes, year round flowers and exotic fruits for the Mansion. The Earls of Bessborough lived in the House from 1925 until 1992. Over the last ten years the glasshouses have gradually been restored and the original fig house is now the Pavilion Tearoom.
