

STANSTED PARK
HOUSE & GROUNDS

CONGRATULATIONS!

Welcome to the fairy-tale setting of Stansted Park.

This historic Edwardian house, with its elegant interiors, classical architecture and sweeping parklands can be yours exclusively.

Whether you dream of a small, intimate gathering in the house itself or a large, lavish celebration for all your family and friends in the grounds, our dedicated team will be with you every step of the way to create a bespoke experience you will treasure forever.

A FAIRY-TALE VENUE

Stansted House is set in over a thousand acres of the South Downs National Park, with far-reaching views across open countryside and ancient woodland. This former home of the Earls of Bessborough is ideal for those wanting the personal touch for a ceremony, from the blue vaulted ceiling and stained glass of the private chapel to the lavish furnishings of the Music Room.

The historic grandeur of the Blue Drawing Room lends itself perfectly to a formal wedding breakfast while the large south-facing lawns offer a quintessentially English setting where larger parties can dine and dance into the night.

The classical Italian-style, west-facing main entrance provides a unique backdrop for photographs and is the perfect place to raise your glasses as the sun sets behind the cricket pitch.

YOURS FOR A DAY

Every wedding is unique and, here at Stansted Park, we want you to feel that your dreams can come true. From exquisite canapés to fish and chips, summer drinks on the portico to mulled wine by firelight, it's important to us that you have the best available.

Our in-house catering partners will listen to your ideas and do everything possible to make them reality. Like us, they will go to every length to make your big day everything you have ever hoped for.

A BLESSING IN ST PAUL'S CHAPEL

The private family chapel at Stansted Park is a truly exceptional place to bless your marriage. Tucked away in a tree-lined grove, just a short stroll from the mansion house, the blue stained glass casts a magical light across the tiled 17th century aisle as you pledge your commitment to each other.

This uniquely intimate setting provides seating for up to 120 guests to share the more spiritual element of your wedding. The Octagon parish team will help you organise a minister, an organist (or pianist) and you are welcome to decorate the chapel with flowers to complement your reception. Please talk to our events team about any other ideas you may have for your service.

A NIGHT TO REMEMBER

The formal part of your wedding is over. It's time to relax.

For many couples, a small, intimate gathering is the perfect way to celebrate their love. But if you want to share your day with a larger group of family and friends, or throw a spectacular party your guests will never forget, talk to us about how we can use the lawns and unique surroundings of Stansted House to create the ultimate stage.
